Approval of MCAST New Bachelor (hons) Engineering degree programmes

Dear Mr. Chairman, dear Dr. Camilleri,
dear Board Members,

with reference to the latest Evaluation Report concerning the New Bachelor (hons) programmes in *Electronics and Control Engineering, Electronics Engineering, Mechanical Engineering (Plant) and Mechanical Engineering (Manufacturing)* of the Malta College of Arts, Science and Technology (MCAST) and in accordance with the concluding assessment of the experts, we hereby confirm ASIIN's approval of the aforementioned programmes as a means of qualifying graduates of those programmes for the Engineering Warrant procedure.

ASIIN trusts that MCAST will take up the experts' recommendations as stated in Chapters F and L of the Evaluation Report in order to foster the quality of the programmes in the medium term. Reference with respect to progress or plans regarding the topical issues of the recommendations could be made during the concluding review in 2022.

Apart from that, ASIIN's above stated approval stands with the reservation that study results of MCAST's New Bachelor (hons) Engineering programmes as well as the individual performance of graduates who have completed the programmes shall be subject to a final review in 2022.

Best regards
