

electrical supplies & services ltd.

Electrical Engineer

ESS Ltd. is a leading player in Malta's electrical industry, delivering cutting-edge solutions for residential, commercial, and institutional clients. Renowned for innovation and excellence, we are committed to providing high-quality electrical systems and services that meet the evolving needs of the market.

The Role:

We are currently seeking a driven and detail-oriented **Electrical Engineer** to join our dynamic team. The selected candidate will play a key role in overseeing execution from concept through to completion, ensuring technical precision, efficiency, and successful delivery.

Key Responsibilities:

- Conduct technical evaluations and feasibility studies to support project proposals and design solutions.
- Collaborate with the Project team in planning, coordinating, and implementing engineering projects to ensure timely and cost-effective completion.
- Interface with approved subcontractors and suppliers to align deliverables with project specifications and schedules.
- Prepare clear, structured, and technically sound reports and documentation for internal and client use.
- Track and report on project milestones, budgets, and timelines; participate in site meetings and provide regular progress updates.
- Support the delivery of high-impact, innovative projects through sound engineering practices and creative problem-solving.

Person specification:

- A Bachelor's degree in Electrical Engineering (B.Eng Hons) and a valid warrant to practice as an Engineer in accordance with Maltese law.
- Strong verbal and written communication skills with the ability to interact confidently with stakeholders at all levels.
- Excellent organisational and time management skills, with the ability to handle multiple priorities in a dynamic environment.

Benefits:

- Opportunity to work with leading international brands, including Schneider Electric.
- Competitive salary package based on experience and qualifications.
- Comprehensive health insurance coverage.
- Participation in team-building initiatives and company events that promote a positive and collaborative workplace culture

This is an excellent opportunity to grow your career in a progressive and supportive company. Interested candidates are encouraged to send their CV and a covering letter to hr@ess.com.mt
