

VACANCY

Electrical Engineer

Jobsplus Permit 6/2023

We are Public Sector entity entrusted by Government to design and build new State schools in Malta and Gozo. We are also responsible for the refurbishment of existing schools and other infrastructural educational projects. We are involved in the projects from concept stage to their actual commissioning.

We have a vacancy in the position of **Professional Officer II (Electrical Engineer)**.

Applicants for this vacancy must have a recognised Degree in Engineering at MQF Level 6 or equivalent and must be in possession of a warrant to practice as an engineer in Malta. They must have a minimum of four (4) years' experience in providing electrical services to all sectors of the construction industry.

Knowledge and experience in the use of AutoCAD will be considered an asset. Applicants must be in possession of a clean driving license (Category B).

Interested persons may apply by sending an application letter and CV by email to hr.fts@fts.mt. All applications received by email will be acknowledged.

Applications must be received by not later than Tuesday 31st October 2023.
